

FLEX™ WALL

A sleek portable glassboard and free-standing wall partition.

Frame Color: Jet Black
Side Insert Panel Color: Stone

What is Flex Wall?

Stylish mobile glassboard that link together to form sleek wall partitions anywhere in your space.

Why Flex Wall?

It serves as both a writable surface for collaboration and a dividing wall between work areas.

ColorDrop™

Your ideas printed to perfection.

Print any image, graphic, or design with unmatched clarity and brilliance thanks to our high-resolution, direct-to-glass UV printing technology.

Colors by Clarus™

Show your true colors.

Choose from 175+ colors enriched with our exclusive glass-coating technology. Or request a custom color with our unparalleled color-matching ability.

Frame Color: Jet Black
Side Insert Panel Color: Satin Silver
Acoustic: Deco Pattern, Ivory

Open-Plan Office

Flex Wall functions as a privacy screen or divider in open layouts so you can design work areas how you see fit.

Libraries

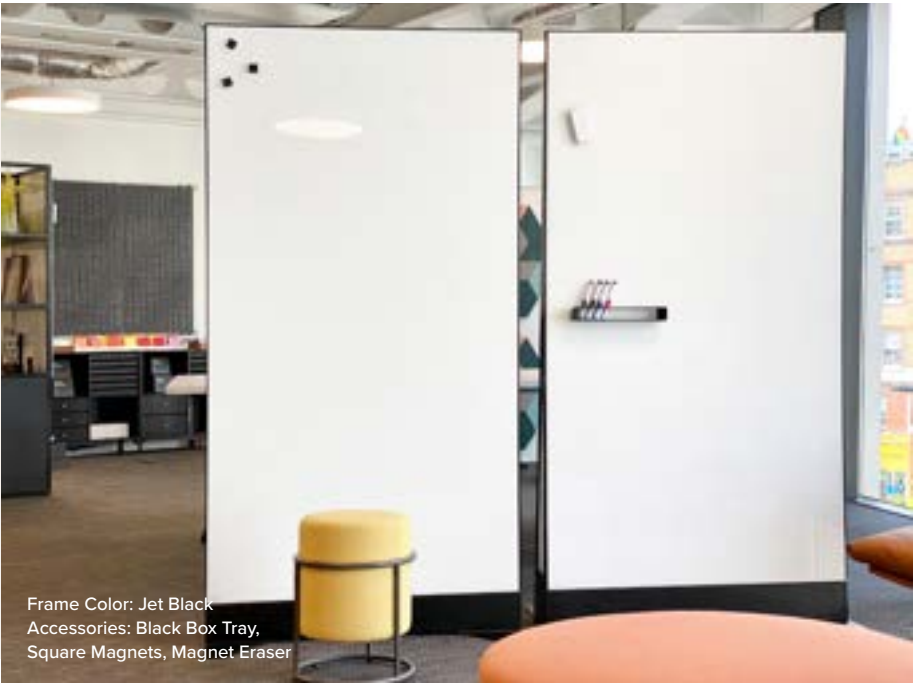

Create study areas, reading nooks, or hang spaces, giving students privacy for studying and group work.

Patient Rooms

A sleek privacy screen between patient beds and a powerful communication tool for physicians. The non-porous glass never stains or ghosts and wipes 3x cleaner than other surfaces.

Elegant Eiffel Tower Shape

Not only does it look elegant, but the wide-base design reinforces sturdiness, never wobbling as you write.

Frame Color: Jet Black
Accessories: Black Box Tray,
Square Magnets, Magnet Eraser

Color Frames

Choose a color for your steel frame.

*Side insert panel available in all 13 color options.

*Side insert panel will be brushed aluminum if not otherwise specified.

Frame Color: Jet Black
Side Insert Panel Color: White
Accessories: Black Box Tray,
Square Magnets, Magnet Eraser

Move. Set. Repeat

The Flex Lift System lets you easily toggle between mobile and stationary modes.

Turn wheel clockwise, and it becomes mobile with a 0.5" clearance.

Move Flex Wall wherever you need a writing tool or partition.

Turn counter-clockwise, and it becomes a sturdy, ADA compliant partition with the help of the stabilizers on both sides.

Acoustic Panels

Complement your Flex Wall with a noise-reducing acoustic panel to add a touch of design and color to your space.

Frame Color: Navy Blue
Side Insert Panel Color: Satin Silver
Acoustic: Grove Pattern, Light Grey

Fixed | The Flex Lift System lets you easily toggle between mobile and stationary modes.

Expertly crafted to absorb 80% of sound energy. Thoughtfully designed to add style to your space.

Made sustainably from recycled materials.

1 Choose Color:

XL acoustic only available in light grey.

2 Choose Pattern:

Also available with no pattern (flat).
